

	What is the idea?	What do you hope to achieve/ how will you achieve it?	Who will you be working with?	When do you expect to be finished (term)?
Promote Financial Inclusivity	Create More In-depth Training for Treasurers on Most Effective Practices	In conjunction with changing the Committee Induction process when Clubs change Committees, give direct training to treasurers on how to budget, forecast the year ahead, apply for grant funding and how to apply for funding from NGBs and external companies.	Activites Team	Next academic year
	Change to Sport Grant Guidelines to Give Incentives to Initiatives That Save Costs	Adjusting criteria you can apply for, so the club can get funding for more sustainable and more cost effective solutions (e.g equipment that last more than one season and coaching courses)	Sports Executive Committee, Sports Coordinators, Head of Activities	Before Grant Round 2 (November/Decemeber)
	Challenge Week 2025	Implementing a new fundraising initiative for Clubs to compete against one another in raising money for their clubs by hosting events across one week whilst working with ODAR and Marketing to allow clubs to reach alumni and the wider community. This initiative will in turn raise much needed money for Clubs to run and be more finacially inclusive and sustainable.	Activites Team, ODAR, Marketing, Southampton Sport	December
Varsity 2025	Ensure Students Engage in the Planning Stages of Varsity	By use of the Executive Committee and Club Committees, allow for more direct input on the planning of varsity. Collect feedback on what worked/didn't work previously, and find out more about how students want Varsity to look.	Activities Team, Southampton Sport, Business Development, Student Enterprise, Insight, Sports Exeective Committee	Ongoing until March
	Arrange a 'Headline' Game(s)	Explore the oppurtunity of hosting a stand alone event away from the main Varsity weekend. This will be done by working with Southampton Sport and Sports Coordinators in finding the best suitable local sporting venues.	Sports Coordinators, Southampton Sport, Local Sport Venues	Before semester 2
Lobby for Better Facilities	Open Wide Lane Bar	Open the already exisiting Wide Lane bar, that has not been utilised for many years, solely as a hub for all spectators, players and opposition whilst at Wide Lane. Liaise with Southampton Sport about using their License and enabling Student Enterprise to open the venue on matchdays.	Southampton Sport, Student Enterprise	October
	Simplify the Process of Reporting Facility Problems	Review the exisiting reporting process that both students and community users of Southampton Sport spaces need to use when there is an issue with facilities. Implement a more direct reporting process to enable issues to be resolved quicker and more effectively.	Southampton Sport, Sports Coordinators, Sports Exeective Committee	January
	Facilities Forums	Hold 2 Facilities Forums throughout the year for Club Committees and other students to come along to and directly speak with Southampton Sport about their facilities.	Southampton Sport, Sports Coordinators, Sports Exeective Committee	November
Student Engagement and Experiences	Introduce an Executive Committee with Representatives for Each Sports Category	To give more student input into any decisions made by SUSU that effects the sports community. The representatives for each sports category will be able to give out and collect feedback on issues brought to the monthly meetings	Sports Coordinators, Head of Activities	October
	Review and Renew SUSU's Code of Conduct	SUSU's Code of Conduct that students need to abide to is very outdated, and needs to be aligned more to the ever changing issues and culture of our students and community. Creating this new Code of Conduct that every student that wishes to buy membership for one of our Clubs or Societies, has to agree to our Code of Conduct before being allowed to purchase one.	Membership Directorate, SLT, VP Activities, VP Welfare & Community	Before semester 2
	Training Available for Welfare Officers on Students' Mental Health	Hold a training session delivered by mental health professionals, to enable our Welfare Officers to understand how to identify and deal with any issues they may come across. Allowing for a more personable and pro-active approach to help students that need them.	Activities Team, VP Activities, VP Welfare & Community	Semester 1
