

Area of work: Improving Student Experience	
Sabbatical Plan Goal	Details
Goal 1 Promoting performance spaces on campus	Work so far: I have sent out a form to gauge interest in my performing arts event idea and have had 6 society responses. I have also provisionally booked The Cube for the 7 th Feb.
	Next steps: Risk assessments and planning for the event, as well as liaising with societies about future opportunities. I also plan to give participating societies a walk-through of the space and my plans to make it an option for other events.
Goal 2 Improving the reputation of The Cube	Work so far: I have broached the idea of genre club nights with some societies.
	Next steps: Pending positive response, liaising with events and the wider activities team to facilitate these events.
Goal 3 Promoting student voice in society decisions	Work so far: The first executive committee meeting was successful. We talked through the revised grant guidelines as well as talked through ways to communicate with societies.
	Next steps: Continuing regular monthly meetings as well as keeping members accountable with their communications to ensure students are being asked for their feedback.
Goal 4 Elevate and Engage Project	Work so far: I have talked through my ideas with the activities team and Sonia (CEO). I have started a project plan and begun research on other SU's training schemes as well as looking at deliverability.
	Next steps: Presenting the project plan to SLT and other staff, as well as continuing to refine the idea. Student consultation would also take place, initially with executive committee and then wider.

<p>Goal 5</p> <p>Restructuring and rewriting the Clubs and Societies Code of Conduct</p>	<p>Work so far:</p> <p>I have redrafted the document and this is complete, pending meetings with the activities team for extra comments.</p> <p>Next steps:</p> <p>Redrafting with additions/revisions and then getting further consultation.</p>
